Subject: Connecticut Affordable Housing Conference Nov 16-17 (virtual and free)

Good morning,

The Connecticut Affordable Housing Conference is scheduled for November 16 and 17 virtually. It is free for anyone to register. There may be different sessions of particular interest (related to zoning, sustainability, housing services, future legislative action, etc.) to you, your particular committee members or the broader BOR.

Please feel free to register and/or distribute to other BOR members.

Looking at the schedule, I think the Nov 16th 11:00am Findings from CHFA's New Housing Pulse Report would be relevant to all and would serve as a great foundation.

While I highly encourage people to engage in real-time, this year and past year's sessions will be recorded and made available through the Partnership for Strong Communities youtube channel - https://www.youtube.com/@CTPartnershipHousing/playlists

Thanks for your consideration.
Emily Gordon
